

Dr Hamid Razak

Dr Hamid Razak is a dedicated medical professional, community leader, and advocate for social equity. Raised with values of resilience, empathy, and responsibility in a modest household, these principles have shaped his journey as an orthopaedic surgeon and public servant.

2 Dr Hamid Razak is a Member of Parliament from the West Coast-Jurong West Group Representation Constituency (GRC). As a resident of Jurong for nearly 30 years, Dr Hamid has witnessed the power of a united community and has dedicated himself to giving back to the place he calls home. Through Meet-the-People sessions, he initiated the “Chit Chat with Dr PAP” booths, offering free health screenings and essential advice to residents. He is also proud to have championed the Happy Kids Programme, a literacy initiative aimed at helping children from disadvantaged backgrounds start on equal footing. Dr Hamid believes in a community where people of all backgrounds support each other, creating a Jurong and a Singapore where everyone feels valued.

3 Beyond his local efforts, Dr Hamid is a founding member and past Deputy President of IMPROF, where he led a youth mentorship programme that paired underprivileged individuals with leaders in their fields. A strong advocate for health literacy, he has empowered individuals to take charge of their well-being by initiating health education platforms in the community and continuing this work as an Orthopaedic Surgeon and the Vice President of the Singapore Knee Preservation Society.

4 Dr Hamid’s commitment to inclusivity extends to supporting Singapore’s migrant worker community through the Wandering Dervishes initiative. Guided by his volunteering mantra, “Give whatever we have from wherever we are,” Dr Hamid believes in creating a fairer, more inclusive society where everyone can thrive.

5 Dr Hamid is committed to championing equitable healthcare, advancing health literacy, and empowering youth development. His mission is clear: to create a community where every voice is heard, and every dream nurtured.

Professional Background

6 Dr Hamid Razak is a Consultant Orthopaedic Surgeon currently in private practice at Total Orthopaedic Care & Surgery.

7 With over 16 years of experience, his clinical interests focus on knee injury, conditions, and surgery, including knee replacement (both total and partial procedure). He has a deep special interest in knee-preserving procedures for younger patients who are not yet eligible for knee replacement surgery.

8 Dr Hamid earned his MBBS from the National University of Singapore's (NUS) Yong Loo Lin School of Medicine in 2009. He then went on to complete a Graduate Diploma in Family Medicine in 2013, followed by a Master's in Medicine in Orthopaedic Surgery in 2018, both at NUS. He later earned a Master of Public Health from the Saw Swee Hock School of Public Health at NUS in 2023. He is also a Member of the Royal College of Surgeons (Glasgow) and a Fellow of the Royal College of Surgeons (Edinburgh), the Royal College of Physicians and Surgeons (Glasgow) and the Academy of Medicine (Singapore), all of which he achieved in his orthopaedic discipline in 2018.

9 Before entering private practice, Dr Hamid led the Sports & Joint Preserving Osteotomy Services at Sengkang General Hospital and was the site chief for the SingHealth Sports & Exercise Medicine Centre. He has also published over 120 papers in peer-reviewed journals and completed research and clinical fellowships at Imperial College London and the London Knee Osteotomy Centre.

10 He is also committed to medical education, having won several awards for teaching excellence, and continues to mentor and nurture younger colleagues. Demonstrating his dedication to knee preservation, he co-founded the Singapore Knee Preservation Society, serving as its Vice-President.

Current Parliamentary and Party Responsibilities

11 Dr Hamid Razak is a Member of the Government Parliamentary Committees (GPCs) for Health and Education, contributing to policy scrutiny and legislative review in both sectors.

12 He serves as an Executive Committee Member of the Singapore Indian Development Association (SINDA) and as a Member of the National Youth Council (NYC), reflecting his continued commitment to community development and youth empowerment.

13 Within the People's Action Party (PAP), Dr Hamid serves as an Advisor to the Young PAP and as a Member of the PAP Mental Health Workgroup, supporting the party's youth wing and its policy work on mental health.

Parliamentary Contributions

14 Since entering Parliament in the current term, Dr Hamid has filed over 70 Parliamentary questions and delivered more than a dozen speeches on Bills and Motions, with recurring focus on healthcare financing, migrant worker welfare, mental health, education, and consumer protection.
