

VALERIE LEE 李乃怡

Introduction

- Dedicated community volunteer for nearly 8 years, focussed on driving engagement, promoting sustainability and uplifting families
- Would like to advocate for the sandwich generation
- Enjoys spearheading community events and collaborating with local partners to create a more inclusive and sustainable neighbourhood
- Experienced Town Councillor with the ability to address municipal concerns, lead town-wide communication efforts and facilitate effective resident engagement
- Advocate for environmental stewardship and women's empowerment through speaking engagements with various schools, community and professional platforms
- On the professional front, she is passionate about Driving the Energy Transition and heads a Corporate Affairs & Sustainability team at a Singapore listed firm
- During her free time, she has transitioned from indulging in hiking and cooking to exploring Singapore's neighbourhood playgrounds and parks with her family
