### ORDER OF THE DAY

1. EXECUTION OF FLOR CONTEMPLACION: *Resumption of Debate on Question (25th May, 1995)*, "That this House (1) asks the Government to explain its refusal to stay the execution of Flor Contemplacion, despite President Ramos' appeal and the submission of new evidence, when a stay could have prevented the present strain in Singapore-Philippine relations, and (2) reaffirms its confidence in Singapore's criminal justice system, especially the integrity of the judges in upholding the rule of law and the competence of the police in enforcing law and order, which are strong pillars supporting our stability and prosperity." — (Dr Kanwaljit Soin).
