- *12. **Ms Nadia Ahmad Samdin:** To ask the Minister for Education in light of the forthcoming merger of the Yale-NUS College and NUS' University Scholars Programme (USP) (a) how will the establishment of the New College enhance the educational experience of future students as compared to the current programmes at Yale-NUS College and USP; and (b) how will the decision affect the (i) innovative and open liberal arts curriculum (ii) international make-up of the students and the faculty of the New College and (iii) higher education offerings in Singapore.
- *13. **Ms Nadia Ahmad Samdin:** To ask the Minister for Education whether support can be provided to students who have accepted an offer for the cohort starting 2022-2023 in NUS' Yale-NUS College, Faculty of Engineering or School of Design and Environment but who wish to change university or school given the recent merger announcements.
- *14. **Ms Foo Mee Har:** To ask the Minister for Education (a) what are the considerations behind the closure of Yale-NUS College and its planned merger with the University Scholars Programme (USP) into the New College; (b) how the various key stakeholders were consulted; and (c) how much public monies through the Ministry's subsidies, grants and funding have been spent on Yale-NUS College since its inception.
- *15. **Mr Shawn Huang Wei Zhong:** To ask the Minister for Education (a) what are the considerations for the forthcoming merger of the Yale-NUS College and the University Scholars Programme; (b) what measures will be taken by the Ministry to safeguard the interests of the existing students; and (c) what are the plans for the future college.
- *16. **Miss Cheryl Chan Wei Ling:** To ask the Minister for Education in light of the closure of Yale-NUS College (a) how will this impact the quality of education for the students; and (b) what will be done to address potential concerns about credibility of the degree and post-graduate opportunities.

-
-
- *17. **Assoc Prof Jamus Jerome Lim:** To ask the Minister for Education in light of the announcement that Yale-NUS College will cease operations by 2025 (a) how will NUS ensure that students enrolled over the course of the next four years will be able to enjoy an uncompromised educational experience; (b) whether there will be any reduction of fees or option for transfers in the event that there is a compromised experience; and (c) how will NUS ensure that the Yale-NUS degree retains its value in the future, in particular for graduates of the programme.
- *18. **Assoc Prof Jamus Jerome Lim:** To ask the Minister for Education regarding the decision to merge Yale-NUS College and NUS' University Scholars Programme (a) what are the motivations behind the decision; (b) whether financial factors feature in the decision; (c) whether Yale University provided any indication of willingness to continue the partnership beyond 2025; (d) why was the decision not conveyed to the student body in advance, closer to the announcement of the new College of Humanities and Sciences; and (e) whether the faculty and student body of Yale-NUS College were consulted before the decision and, if not, why not.
- *19. **Ms He Ting Ru:** To ask the Minister for Education in light of the announced merger of Yale-NUS College and NUS's University Scholars Programme to create the "New College" (a) what have been the other alternatives considered and why are these options not taken; (b) when was the decision for merger made; and (c) what is the assessment on the impact on NUS' and Singapore's international academic standing from this decision.
- *20. **Mr Raj Joshua Thomas:** To ask the Minister for Education (a) whether he can shed light on (i) the decision-making process behind the merger of Yale-NUS College and NUS' University Scholars Programme (USP) and (ii) the potential implications on collaboration between NUS and other foreign universities; and (b) whether NUS will provide refunds to Yale-NUS College and USP students who prefer to withdraw.
- *21. **Mr Leon Perera:** To ask the Minister for Education (a) whether there are any key performance indicators for the Yale-NUS College and what was the assessed performance on those metrics; (b) what has been the past impact of the Yale-NUS College on admissions into NUS; (c) whether there are future plans for a dedicated liberal arts college; (d) what are the plans to preserve Singapore's reputation for quality tertiary education partnerships; and (e) whether student activism at the Yale-NUS College played any part in the closure.

-
-
- *22. **Mr Desmond Choo:** To ask the Minister for Manpower in light of the tightened Local Qualifying Salary requirement (a) whether the Ministry will provide additional financial support to low-income families to help them cope with the expected increase in the cost of goods and services; (b) what are the safeguards to prevent companies from passing the entire burden to consumers; and (c) how can we ensure that businesses do not engage in such practices.
- *23. **Ms Jessica Tan Soon Neo:** To ask the Minister for Manpower in light of the expanding coverage of the Progressive Wage Model (PWM) and new requirement for companies to pay all local employees at least the Local Qualifying Salary (a) whether any forms of support will be provided to consumers and businesses to manage cost increases; and (b) if so, what are they.
- *24. **Ms Ng Ling Ling:** To ask the Minister for Manpower in view of increases in business costs with the implementation of the Progressive Wage Models (PWM), how will the Government (i) monitor that the increase in costs is fairly shared between the businesses and consumers and (ii) ensure that such cost increases will not raise the cost of living for the low wage workers such that the benefits of the PWM to them are outstripped.
- *25. **Mr Yip Hon Weng:** To ask the Minister for Manpower (a) how often and under what circumstances will the Local Qualifying Salary (LQS) be reviewed and revised; and (b) what support will the Government provide to companies in sectors that are traditionally more reliant on foreign manpower and badly hit by the pandemic, such as the construction sector, to afford the LQS for all their local workers.
- *26. **Mr Liang Eng Hwa:** To ask the Minister for Manpower (a) what transitory support will the Government provide to employers as the implementation of the Progressive Wage Model (PWM) is expanded especially during under pandemic uncertainties; (b) how will the Progressive Wage Mark (PW Mark) be administered; and (c) how can the public and private sectors through their procurement and purchases of goods and services encourage more businesses to obtain the PW Mark.
- *27. **Mr Edward Chia Bing Hui:** To ask the Minister for Manpower (a) how is the Local Qualifying Salary being determined currently; and (b) how does the Ministry plan to review the monthly minimum salary regularly.
- *28. **Mr Edward Chia Bing Hui:** To ask the Minister for Manpower (a) how does the Ministry plan to inform and support employers to pay all local workers at least the Local Qualifying Salary to qualify for their employment of foreign workers; and (b) what will be the time period given to employers for this transition.

-
-
- *29. **Mr Edward Chia Bing Hui:** To ask the Minister for Manpower how does the Ministry ensure that wage increases in the Progressive Wage Model sectors are sustainable for employers given that wage increases may not be directly tied to productivity increases.
- *30. **Ms Hazel Poa:** To ask the Minister for Manpower how many Singaporean employees currently earning under \$1,400 per month will not be covered by the changes to the Local Qualifying Salary requirement for companies.
- *31. **Ms Jessica Tan Soon Neo:** To ask the Minister for Manpower in light of the expanding coverage of the Progressive Wage Model (PWM) and new requirement for companies to pay all local employees at least the Local Qualifying Salary (LQS), how can the Ministry ensure that price increases purportedly resulting from the LQS will be fair, reasonable and not attempts at opportunistic profiteering.
- *32. **Miss Cheng Li Hui:** To ask the Minister for Manpower with the proposed increase in wages for low-wage workers, how will the Ministry ensure that businesses do not profiteer under the pretext of having to pay higher wages.
- *33. **Ms Nadia Ahmad Samdin:** To ask the Minister for National Development in view of the ban on domestic ivory trade from 1 September 2021 (a) what are the trends in illegal wildlife trade in Singapore that the Government has observed in the last three years; and (b) what other measures can be taken by the Government to strengthen our resolve in the fight against the illegal trade of species listed under the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES).
- *34. **Dr Lim Wee Kiak:** To ask the Minister for Sustainability and the Environment (a) what is the amount of carbon emissions three years ago during the pre-COVID-19 period in comparison to post-COVID-19, with more people working from home and reduced traveling; (b) if it is a net decrease in carbon emissions, how can this momentum be maintained, moving on; and (c) whether revisions to key targets in the Singapore Green Plan will be made following the report of UN's Intergovernmental Panel on Climate Change.
- *35. **Mr Lim Biow Chuan:** To ask the Minister for Sustainability and the Environment in view of the "code red for humanity" warning in the UN's Intergovernmental Panel on Climate Change's latest report (a) whether the Government will bring forward the targets in the Singapore Green Plan 2030; and (b) whether there will be an introduction of more incentives for electric vehicles ahead of schedule.

-
-
- *36. **Mr Louis Ng Kok Kwang:** To ask the Minister for Sustainability and the Environment following the latest report by the UN's Intergovernmental Panel on Climate Change (IPCC), whether the Government will review and bring forward the plans to reach net zero emissions.
- *37. **Miss Cheryl Chan Wei Ling:** To ask the Minister for Sustainability and the Environment with regard to the Sixth Assessment Report of the UN's Intergovernmental Panel on Climate Change (IPCC AR6) (a) what changes are required to Singapore's carbon emission and other environmental targets; (b) whether there is a system in place to review and track Singapore's long-term environmental commitments; and (c) whether there are urgent short-term changes to the commitments that will impact citizens and businesses.
- *38. **Ms He Ting Ru:** To ask Minister for Sustainability and the Environment given the latest report by the UN's Intergovernmental Panel on Climate Change (IPCC), whether the Government plans to (i) review Singapore's net zero emissions target and set a definitive timeline to achieve net zero emissions (ii) commit the public sector to net zero emissions by 2050 and (iii) commit the Government of Singapore Investment Corporation to having a portfolio of net zero emissions.
- *39. **Ms Poh Li San:** To ask the Minister for Sustainability and the Environment in light of the latest report of the UN's Intergovernmental Panel on Climate Change (a) what are the plans to mitigate the higher temperatures that will be experienced in Singapore, particularly to alleviate the impact on residents, fauna and flora; and (b) what measures will be taken to mitigate the more extreme sea level rise events especially in the low-lying regions.
- *40. **Mr Murali Pillai:** To ask the Minister for Sustainability and the Environment (a) in light of recent global climatic changes, whether there needs to be a revision to estimated timelines of sea-level rise that may affect Singapore in future; and (b) whether he can provide an update on the plan to build polders and implementation of other measures to deal with sea-level rise.
- *41. **Mr Saktiandi Supaat:** To ask the Minister for Sustainability and the Environment (a) whether the Ministry can provide an update on Singapore's polder development project; and (b) how have the findings affected Singapore's current plans and timeline to protect our coastlines from the impact of climate change.
- *42. **Mr Murali Pillai:** To ask the Minister for Home Affairs what steps have been taken to shore up the emergency preparedness amongst Singaporeans and civil defence of Singapore to deal with weather phenomena arising from climatic change.

-
-
- *43. **Ms Ng Ling Ling:** To ask the Minister for National Development besides defending Singapore's shoreline against rising sea waters with a coastal defence plan, whether there will be similar efforts for the inland elevated slopes and areas with gradients to systematically identify areas where there can be risks of landslips and sinkholes and to fortify against weakening soil conditions.
- *44. **Ms Poh Li San:** To ask the Minister for Trade and Industry in view of the "code red for humanity" warning in the UN's Intergovernmental Panel on Climate Change's latest report and industries contributing to about 60% of Singapore's greenhouse gas emissions (a) whether the Ministry will accelerate the decarbonisation of our power grids by using more imported renewable energy; and (b) whether the Ministry will impose more stringent carbon emission quotas and energy consumption targets on sectors with higher carbon footprints, such as petrochemicals, semi-conductor and data centres.
- *45. **Miss Cheng Li Hui:** To ask the Minister for Manpower (a) whether there is data on the number of people who are doing gig work full-time; (b) whether platform gig workers can be considered for some form of medical and insurance benefits as well as annual leave; and (c) whether these workers need to clock in a minimum number of hours per week to qualify for any possible benefits.
- *46. **Ms Yeo Wan Ling:** To ask the Minister for Manpower (a) whether the Ministry monitors the average income and the number of self-employed persons (SEPs) working as delivery riders for food and parcel delivery platforms; (b) if so, how many SEPs are currently working as delivery riders and what is their average income; and (c) whether there are any differences in the average income for this group of SEPs in the past three years and, if so, what are the differences.
- *47. **Ms Yeo Wan Ling:** To ask the Minister for Manpower (a) whether the Ministry has examined the relationship of gig workers and their platform partners, in particular, workers being tied to employee-like relationships with the platform; and (b) whether there are intended studies on the impact of working on such platforms to the worker's medical, housing and retirement adequacy and the role of platform partners in contributing to these safety nets for the worker.

-
-
- *48. **Mr Sharael Taha:** To ask the Minister for Manpower (a) whether the Ministry will consider (i) legislating workplace protection and benefits (such as healthcare, paid/childcare/paternity/maternity leave) and contribution to CPF (including MediSave) for platform workers from their platform providers and (ii) the economic impact to the operating costs of business for these platforms; and (b) whether the Ministry will put in measures to ensure the increase in cost is not entirely passed on to consumers.
- *49. **Ms Janet Ang:** To ask the Minister for Transport (a) to date, which are the countries that have agreed on a common platform or at least an inter-operable system of recognising COVID-19 vaccination records; (b) whether there will be mandatory implementation and use of such systems; and (c) whether the Government will consider waiving the SHN period for travellers who have been vaccinated and whose serological test is negative upon arrival.
- *50. **Mr Gan Thiam Poh:** To ask the Minister for Transport whether the Ministry will consider giving priority to visitors who have been vaccinated to enter Singapore until an acceptable level of local vaccination rate is reached.
- *51. **Mr Gan Thiam Poh:** To ask the Minister for Transport (a) how many short-term visitors who are currently in Singapore have received vaccinations under the Special Access Route as these visitors are ineligible for free vaccinations under the COVID-19 national vaccination programme; and (b) whether short-term visitors will continue to be ineligible for free vaccinations under the COVID-19 national vaccination programme.
- *52. **Mr Seah Kian Peng:** To ask the Minister for Transport with regard to the recently announced quarantine-free travel lanes for vaccinated passengers going to and from Germany, what safeguards are in place to ensure that such passengers do not travel unrestricted within Europe before coming to Singapore whilst enjoying this privilege.
- *53. **Dr Wan Rizal:** To ask the Minister for Home Affairs (a) what is the number of (i) fake vaccination certificates that have been detected at our borders by ICA and (ii) fake Singapore-based vaccination certificates that have been detected at foreign borders; (b) whether the perpetrators of such cases have been apprehended locally or abroad; and (c) whether any action will be taken against perpetrators of fake vaccination certificates and, if so, what are the penalties.
- *54. **Mr Dennis Tan Lip Fong:** To ask the Minister for Health whether there are further plans to diversify COVID-19 vaccine sourcing.

-
- *55. **Dr Lim Wee Kiak:** To ask the Minister for Health when the COVID-19 vaccination rate of 80% is reached by September 2021 (a) what is the Ministry's plan to wind down the vaccination centres islandwide; and (b) whether there will be permanent vaccination centres and associated facilities should future booster doses be required.
- *56. **Mr Darryl David:** To ask the Minister for Health (a) whether the Ministry can provide an update on the COVID-19 vaccination of pregnant women; and (b) what support or counselling has been provided to pregnant women who have concerns on the potential effect of the vaccination on themselves and their unborn children.
- *57. **Mr Alex Yam Ziming:** To ask the Minister for Health (a) of those who refuse COVID-19 vaccination but not on medical grounds, what are the main reasons for them doing so; (b) whether the Ministry will implement a more targeted approach to address those who have concerns about the different vaccines; and (c) whether tougher action will be taken against persons who persistently spread misinformation to undermine the vaccination campaign.
- *58. **Dr Tan Wu Meng:** To ask the Minister for Health (a) to date, what is the number of children in Singapore diagnosed with COVID-19 and what proportion have the Delta variant; (b) how many needed supplementary oxygen at any time during their illness; and (c) how does this experience compare with countries with significant numbers of COVID-19 Delta variant infections in children.
- *59. **Mr Alex Yam Ziming:** To ask the Minister for Health in light of reduced vaccine efficacy against COVID-19 variants that is of concern in other countries whether the Ministry will (i) review the speed of relaxation of measures and the opening up of borders (ii) consider the requirement for booster shots and (iii) share what are the long-term outlook and healthcare plans for a COVID-19 endemic Singapore.
- *60. **Mr Chong Kee Hiong:** To ask the Minister for Health (a) whether the Ministry will consider subsidising regular Antigen Rapid Tests (ART) for those who are unable to take the current slate of vaccines due to medical or health reasons; and (b) what proportion of the population needs to be vaccinated before it will be possible for those who are not vaccinated due to legitimate reasons to be able to enjoy the same treatment as those who are fully vaccinated in more and higher exposure risk activities.
- *61. **Dr Tan Wu Meng:** To ask the Minister for Health what avenues of support are available for pregnant or post-partum women who are not yet vaccinated against COVID-19 because of medical reasons and who have to visit their loved ones in hospital given the cost of the self-paid pre-visit COVID-19 test.

-
-
- *62. **Dr Shahira Abdullah:** To ask the Minister for Health with Singapore achieving 80% COVID-19 vaccination status and moving into endemic status (a) whether the Ministry will stop tracking the number of COVID-19 infection cases; (b) what other forms of tracking and measures will be relaxed when Singapore reaches endemic status; and (c) what other thresholds or criteria must be reached before we do.
- *63. **Mr Leong Mun Wai:** To ask the Minister for Health what are the remaining conditions to be met before the existing vaccinated-differentiated safe management measures can be lifted for Singapore given that Singapore has achieved an 80% COVID-19 vaccination rate.
- *64. **Mr Chua Kheng Wee Louis:** To ask the Minister for Health in view of the COVID-19 dose-sharing agreement with Australia (a) whether there are sufficient vaccines for the national vaccination programme by providing details on (i) the current stock of COVID-19 vaccines and (ii) the remaining number of doses that have yet to be delivered under existing supply agreements and when these are due to be delivered; (b) whether the Government has completed its assessment on the need for a booster shot; and (c) whether additional contracts have been signed to reserve additional doses if required and, if so, what are the expected delivery schedules.
- *65. **Ms He Ting Ru:** To ask the Minister for Health (a) whether the costs of regular testing under the "Vaccinate or Regular Testing" (VoRT) regime will be fully borne by the Government for individuals who are able to secure a doctor's certification confirming their ineligibility for COVID-19 vaccination; and (b) how long is the VoRT regime expected to persist given that full-vaccination coverage of the population is now at 80%.
- *66. **Mr Leong Mun Wai:** To ask the Minister for Health whether the Ministry has received any feedback on restaurants refusing entry for dining-in to unvaccinated individuals who have presented negative COVID-19 test results as required under the Pre-Event Testing (PET) regime and, if so, what is being done to ensure that restaurants will accept these forms of verification.
- *67. **Mr Lim Biow Chuan:** To ask the Minister for Health (a) whether the differentiated treatment between vaccinated and unvaccinated residents will cause Singaporeans to be divided; and (b) how can the Government encourage more residents to be vaccinated without dividing the community.
- *68. **Mr Lim Biow Chuan:** To ask the Minister for Health whether the introduction of the \$30.00 HPB voucher as an incentive to those who successfully refer a senior aged 60 and older to get vaccinated discriminates against those who had persuaded their senior parents to get vaccinated earlier.

-
-
- *69. **Mr Gerald Giam Yean Song:** To ask the Minister for Finance regarding the case of the former LTA deputy group director convicted of receiving \$1.24 million in bribes (a) whether the Standing Committee on Debarment (SCOD) has received any recommendations from CPIB for debarment action against parties involved in this corruption case; (b) if so, whether SCOD has made any decision to debar any party and the respective periods of debarment; and (c) if not, whether SCOD will proactively request for CPIB to make recommendations for debarment.
- *70. **Ms Sylvia Lim:** To ask the Minister for Transport what are the implications on the standards and safety of the Thomson-East Coast and Cross Island MRT Lines arising from the actions of a former deputy group director of LTA who has admitted in court to numerous corrupt transactions involving contractors working on the Lines.
- *71. **Mr Dennis Tan Lip Fong:** To ask the Minister for Transport (a) whether LTA will be releasing the names of all companies or businesses on behalf of which bribes or loans have been given to LTA Director Mr Henry Foo Yong Thye; and (b) whether the said companies or businesses will be banned from tendering for future contracts with LTA or all future Government contracts.
- *72. **Mr Sharael Taha:** To ask the Minister for Home Affairs with regard to a proposed Maintenance of Racial Harmony Act (a) who are the stakeholders that will be involved and consulted on during the drafting of the Act; (b) how will the Ministry consider the concerns of the different communities without creating a litigious culture; and (c) how will the Ministry ensure that only legitimate cases are being investigated and prosecuted.
- *73. **Mr Don Wee:** To ask the Minister for National Development following the winding-up of Greatearth Construction, what are the Government's efforts to assist the subcontractors that are involved in Greatearth's five HDB BTO sites and other public projects.
- *74. **Ms Hazel Poa:** To ask the Minister for National Development what measures are currently in place to ensure the financial viability of HDB's BTO contractors and whether these measures will be enhanced.
- *75. **Ms Jessica Tan Soon Neo:** To ask the Prime Minister with regard to the observations of weaknesses in IT controls highlighted in the Report of the Auditor-General for the Financial Year 2020/2021 (a) to what extent has technology been used in public sector entities to administer and manage user access and controls; and (b) how is artificial intelligence and analytics used to monitor and flag irregularities and to derive insights.

-
-
- *76. **Mr Seah Kian Peng:** To ask the Minister for Sustainability and the Environment (a) whether the Ministry has conducted a comprehensive review of areas that are susceptible to flash flood situations like what was experienced on the morning of Friday 20 August 2021; and (b) what plans are being made to mitigate such possibilities from recurring going forward.
- *77. **Ms Hazel Poa:** To ask the Minister for Sustainability and the Environment whether she can provide an update on the flood management measures and early warning system in view of the recent flooding.
- *78. **Assoc Prof Jamus Jerome Lim:** To ask the Minister for Education (a) whether the Ministry has data on the current total value of the private tuition and enrichment industry catering largely to school-going children and, if so, what is that total value; (b) what are the findings of studies conducted to examine the effects of the burgeoning private tuition and enrichment industry on Singapore's overall educational system; and (c) what consideration has been given towards modifying the regulations around such centres to meet the goals of providing a holistic, well-rounded education to all school-going children.
- *79. **Dr Tan Yia Swam:** To ask the Minister for Health whether Rostered Routine Testing can be implemented for (i) Members of Parliament (MPs) doing home visits (ii) MPs doing physical Meet-the-People sessions and (iii) MPs attending parliamentary sittings.
- *80. **Ms Ng Ling Ling:** To ask the Minister for Health (a) what process does the Ministry adopt to ensure that providers of health supplement products comply with the Health Products (Advertisement of Specified Health Products) Regulations and that those who make false claims are taken to task, especially the recalcitrant ones, so as to protect the public; and (b) how many cases of infringements have there been in each of the last five years.
- *81. **Dr Wan Rizal:** To ask the Minister for Health given the recent case where a health supplement company is fined for making false cancer cure claims (a) whether the Ministry is working with media outlets to regulate such claims in advertisements; and (b) what is the Ministry's stand on companies that promote such claims.
- *82. **Mr Zhulkarnain Abdul Rahim:** To ask the Minister for Defence in light of the deferment of in-camp training (ICT) and the suspension of the individual physical proficiency test and in-person fitness training during the period of COVID-19 Phase Two (Heightened Alert) (a) what plans will be taken to maintain the operational readiness and fitness of NSmen; and (b) whether the Ministry will consider extending the deferment of ICT until next year given the various work and business challenges faced by NSmen during this period.

-
-
- *83. **Mr Zhulkarnain Abdul Rahim:** To ask the Minister for Sustainability and the Environment in light of the powers granted to Safe Distancing Enforcement Officers to enter, inspect and search various premises without a warrant to check for compliance with COVID-19 regulations (a) under what circumstances are such powers exercised; (b) what procedures are in place during the exercise of such powers; and (c) what measures and safeguards are in place to ensure the safety and protection of enforcement officers and premise owners during such checks.
- *84. **Mr Liang Eng Hwa:** To ask the Minister for Sustainability and the Environment (a) what are the operating procedures and protocols that the Safe Distancing Enforcement Officers observe when they enter and inspect residential premises; and (b) what are the feedback received from the public on the conduct of safe distancing enforcements.
- *85. **Miss Rachel Ong:** To ask the Minister for Sustainability and the Environment whether Safe Distancing Enforcement Officers executing a search of premises without a warrant are required to wear a body camera at all times during the search.
- *86. **Miss Rachel Ong:** To ask the Minister for Sustainability and the Environment what protocols are in place for Safe Distancing Enforcement Officers executing searches of premises without a warrant, to clearly identify themselves as authorised Safe Distancing Enforcement Officers, ensure the safety and well-being of occupants who are alone at their place of residence, specifically women, children or the disabled, and avoid abuse of power by such officers.
- *87. **Mr Kwek Hian Chuan Henry:** To ask the Minister for Sustainability and the Environment whether NEA can work with the hawker centre cleaners and the public to assist the handicapped and very frail seniors to return their food trays rather than to impose the fine on them.
- *88. **Ms Yeo Wan Ling:** To ask the Minister for Sustainability and the Environment (a) how many people have been issued fines for not returning their trays in hawker centres since 1 September 2021; (b) how many of these fines have been imposed on patrons of zhi char and steamboat eating places; and (c) what are examples of situations where enforcers have taken on “pragmatic approaches” for stalls with dedicated service staff who serve food and clear tables.
- *89. **Mr Gan Thiam Poh:** To ask the Minister for National Development whether the Ministry will reduce the sale price of HDB flats to not more than four times of the average annual income of the applicants for the respective HDB flat types.
