QUESTIONS FOR ORAL ANSWER*

- *1. **Mr Melvin Yong Yik Chye:** To ask the Minister for Communications and Information (a) whether the Ministry plans to do more to encourage companies to sign up for the Singapore SMS SenderID Protection Registry; and (b) how does the Ministry intend to stay ahead of the curve and prevent scammers from circumventing the anti-SMS spoofing registry.
- *2. **Mr Saktiandi Supaat:** To ask the Minister for Communications and Information (a) in the past two years, how many cases have been prosecuted under the Spam Control Act 2007 and the Personal Data Protection Act 2012 in connection with unsolicited SMSes offering job opportunities; and (b) what other actions are being taken to combat the problem of such unsolicited SMSes in addition to the establishment of the Do Not Call Registry in 2014.
- *3. **Mr Edward Chia Bing Hui:** To ask the Prime Minister (a) what is the uniqueness of the recent phishing scam via SMS notifications which avoided rapid detection; (b) whether other technology solutions, such as artificial intelligence, will be used by MAS and the Police to support our banks to trace the funds; (c) whether the bank's full goodwill payouts to all affected customers will be a guideline for future settlements of such occurrences; and (d) how will MAS be working with banks from other jurisdictions to enable systems-level responses for future scams.
- *4. **Mr Sharael Taha:** To ask the Prime Minister with regard to the recent phishing scams via SMS notification (a) whether OCBC Bank's goodwill payouts will set precedence for such future occurrences; (b) how will the Ministry ensure that these payouts do not lead to complacency towards being vigilant to phishing scams; and (c) whether such goodwill payouts will encourage scammers to focus more on Singapore banks.

-
-
- *5. **Mr Seah Kian Peng:** To ask the Prime Minister (a) whether the Government can consider a requirement for banks to commit to a minimum ratio of online call centre officers to customers; (b) whether the Government has data on (i) such current ratio for the banks and (ii) the average waiting times for a call to be answered; (c) if so, what are they; and (d) whether the Government has guidelines for an acceptable waiting time and, if so, what is it.
- *6. **Mr Yip Hon Weng:** To ask the Minister for Health with regard to individuals who completed their primary vaccine course with non-mRNA vaccines (a) how many of these individuals' fully-vaccinated status will expire by 14 February 2022; (b) whether those who are medically ineligible for mRNA vaccines can receive a booster dose of a non-mRNA vaccine; and (c) if not, when will non-mRNA boosters be made available.
- *7. **Mr Gerald Giam Yean Song:** To ask the Minister for Health (a) what are the considerations for not making the Sinovac-CoronaVac and Sinopharm vaccines generally available to children and adolescents, except adolescents who are not medically eligible for the Pfizer-BionNTech/Comirnaty vaccine; and (b) whether the Ministry has plans to make at least one non-mRNA vaccine generally available to children under 18 in order to maximise the vaccination rate of the Singapore population.
- *8. **Ms Tin Pei Ling:** To ask the Minister for Communications and Information (a) whether there are any updates from the Government's discussion with SPH Media Trust and on the level of funding support that the Government will provide; and (b) how will the Government ensure that the funding provided will be used to achieve the necessary digital transformation.
- *9. **Ms Tin Pei Ling:** To ask the Minister for Communications and Information whether the Ministry will require SPH Media Trust to have adequate emphasis on thought leadership content from Singapore's perspective so as to increase Singapore's mindshare on the global stage.
- *10. **Mr Alex Yam Ziming:** To ask the Minister for Communications and Information with the commitment of the Government to provide funding support to SPH Media Trust, how will the Ministry ensure that editorial independence continues to be upheld in the newsrooms.
- *11. **Ms Hany Soh:** To ask the Minister for Communications and Information what steps will the Ministry take to ensure that its funding support for SPH Media Trust will go towards the development of news media on online platforms that are engaging for younger audiences.

-
-
- *12. Ms Hany Soh:** To ask the Minister for Communications and Information (a) how will the Ministry ensure that the Singapore Media Academy and the planned SPH Media Academy differentiate themselves in terms of skillsets and avoid an overlap of functions; (b) whether the Ministry has a definite roadmap for SPH's upcoming media academy to help achieve the goal of nurturing more local talent for the mass communications industry; and (c) whether a collaboration with SG Women In Tech will be considered to attract, retain and develop more female talent in the infocomm workforce.
- *13. Ms Jessica Tan Soon Neo:** To ask the Minister for Communications and Information (a) how will SPH Media Trust remain relevant and sustainable in a highly competitive media industry given digital disruption and declining demand for print news; (b) how can the quality of local journalism keep pace with global standards since audiences can easily access digital versions of international newspapers; and (c) what are the desired outcomes for SPH Media Trust and how will the Government track the progress.
- *14. Mr Sharael Taha:** To ask the Minister for Communications and Information (a) what will be done to ensure the viability of our vernacular news media, given their limited local market sizes; (b) how will the Ministry (i) ensure that our vernacular news media has enough resources, talent and technology to continue to produce good quality news and (ii) create opportunities for our vernacular news media to grow beyond Singapore readership; and (c) how does vernacular news media remain relevant given the declining use of vernacular languages amongst our younger generations.
- *15. Mr Saktiandi Supaat:** To ask the Minister for National Development (a) how many firms in the built environment sector have ceased operations in 2021 due to insolvency, as compared to 2018 to 2020; (b) given the intention for the extended relief periods under the COVID-19 (Temporary Measures) Act 2020 (COTMA) to expire in Q1 2022, whether the Government is considering any transitional measures to prevent firms from suffering a hard landing; and (c) what are the examples of "unforeseen circumstances" which would see a further extension of the relief period under COTMA.
- *16. Ms Denise Phua Lay Peng:** To ask the Minister for Transport (a) what are the types and frequency of enforcement actions taken against errant active mobility device riders who speed or ride on pathways where they should not; and (b) whether more resources can be provided for stricter enforcements especially at pathways affected by infrastructure works in the Central District.

-
-
- *17. Mr Patrick Tay Teck Guan:** To ask the Prime Minister in light of the public service being at the forefront of the fight against the COVID-19 pandemic and taking a toll on the workers in the public service (a) whether the public service is also seeing an increase in attrition; (b) what is being done to look after the health and welfare of workers in the public service; and (c) what is the Government doing to ensure that the compensation and benefits of workers in the public service remain competitive.
- *18. Ms He Ting Ru:** To ask the Minister for Health (a) what action is being taken to verify that all vaccinations or Antigen Rapid Test (ART) results administered by the clinics linked to the alleged vaccine fraud case are accurate and for any discrepancies to be corrected in the relevant database; and (b) what action will be taken against patients who receive falsified vaccinations or ART results.
- *19. Mr Melvin Yong Yik Chye:** To ask the Minister for Trade and Industry (a) what measures has the Ministry taken to diversify the sources of popular seafood and vegetable items ahead of major festivities; (b) whether existing measures have helped mitigate the rise in the costs of such items; and (c) whether more can be done to keep prices affordable for consumers.
- *20. Dr Shahira Abdullah:** To ask the Minister for Sustainability and the Environment what measures will be introduced to ensure that supermarkets and other corporate entities do not pass on the costs of adopting sustainability-friendly measures to consumers.
- *21. Dr Shahira Abdullah:** To ask the Minister for Sustainability and the Environment what measures will the Ministry introduce to encourage supermarkets to (i) reduce packaging waste (ii) use more sustainable forms of packaging and (iii) reduce the need for groceries to be pre-packaged, without passing on the cost of sustainability to consumers.
- *22. Dr Shahira Abdullah:** To ask the Minister for Sustainability and the Environment given the move to reduce the use of plastic bags in Singapore, what measures or safeguards will be put in place to avoid any deterioration in residential waste disposal methods.
- *23. Ms Carrie Tan:** To ask the Minister for Social and Family Development in the last three years, how many cases have there been in divorce and child custody cases where allegations of child abuse by one spouse against the other spouse in attempting to prevent access to children have been proven to be false.

-
-
- *24. Ms Ng Ling Ling:** To ask the Minister for Health for the last three financial years (a) what are the annual budgets provided respectively to (i) public hospitals (ii) public specialist outpatient clinics (iii) primary care including both polyclinics and subsidies under the Community Health Assist Scheme (CHAS) to private general practitioners (iv) community hospitals and (v) nursing homes; and (b) whether there will be considerations for a higher budget allocation to primary care, community hospitals and nursing homes given the aging population with more chronic diseases.
- *25. Mr Gerald Giam Yean Song:** To ask the Minister for National Development in each of the Financial Years in 2019, 2020 and 2021 (a) what was the total amount of funding allocated to Town Councils (TCs) for the implementation of safe management measures; (b) what was the total amount of claims from TCs submitted to the Ministry; (c) what were the actual amounts reimbursed to TCs; and (d) what was the average duration from the time the claims were submitted to when they were reimbursed.
- *26. Ms Joan Pereira:** To ask the Minister for National Development in light of potential breaches of COVID-19 safe management measures and disamenities that may occur at sky gardens located at HDB blocks, whether the Ministry will (i) review its policy and consider gating up these sky gardens and (ii) provide key card access to residents.
- *27. Ms He Ting Ru:** To ask the Prime Minister (a) what are the steps being taken to educate and protect retail investors of Special Purpose Acquisition Companies (SPACs) given the risks associated with investing in such companies; and (b) whether the Government will consider restrictions on retail investors' access to the initial public offering of such companies.
- *28. Mr Edward Chia Bing Hui:** To ask the Minister for Manpower (a) whether the Ministry can provide an update on the retention scheme in partnership with the Singapore Contractors Association Ltd (SCAL); and (b) what is the progress of efforts taken to bring in new workers with relevant skills to meet the needs of the construction industry, given the pandemic and transition towards a post COVID-19 endemic environment.
- *29. Mr Lim Biow Chuan:** To ask the Minister for Education whether tertiary institutions in Singapore will focus on building character values in their students as part of their curriculum.
- *30. Dr Tan Wu Meng:** To ask the Minister for Manpower (a) whether there are human resource (HR) best practice recommendations regarding the provision of health screening to employees whereby the employer has arranged, facilitated or encouraged the health screening; and (b) whether such recommendations include the informed counselling of employees regarding the potential implications for future health insurance eligibility in the event a condition is incidentally diagnosed, even if the condition is deemed benign at the time.

-
-

- *33. Ms Carrie Tan:** To ask the Minister for Health whether the Ministry has, or plans to include, questions on caregiving in the National Census survey, to get more data on the number and profile of informal caregivers in Singapore in order to better inform the Ministry's caregiver support policies as our population ages and caregiving burdens increase.
- *34. Ms Carrie Tan:** To ask the Minister for Health (a) whether the Ministry has data on the annual caregiving-related expenditures incurred by families caring for elderly persons based on the number of activities of daily living they require assistance in; (b) if so, where is this information published; and (c) whether the Ministry will enhance the Home Caregiving Grant quantum based on different levels of care needs.
- *35. Mr Melvin Yong Yik Chye:** To ask the Minister for Transport (a) whether the continued rise in premiums for motorcycle certificates of entitlements (COEs) can be attributed to speculative bidding by motorcycle dealerships and motorcycle-leasing firms; (b) what are the measures put in place to prevent speculative bidding of COEs; and (c) whether the Ministry intends to review if such measures are sufficient in curbing speculative bids in the COE market.
- *36. Mr Chua Kheng Wee Louis:** To ask the Minister for Trade and Industry (a) what was the rationale for publishing indigenous Gross Domestic Product (GDP) and indigenous Gross National Income (GNI) in the past and the timeframe in which such data was published; (b) when did the Department of Statistics (DOS) cease compilation of the indigenous GDP and indigenous GNI series; and (c) whether the Government has or is able to make available historical data as part of the Government agencies' Open Data efforts.
- *37. Ms He Ting Ru:** To ask the Minister for Education (a) how will a diverse curriculum that includes the liberal arts be ensured for the new NUS College and its students in order to maintain the inter-disciplinary and global perspectives from Yale-NUS College (YNC) and NUS' University Scholars Programme (USP) experiences; and (b) how will small-group teaching and vibrant residential living be kept for students of both the YNC in the interim, and the new NUS College.

-
-
- *38. Mr Louis Ng Kok Kwang:** To ask the Minister for Education for each year in the past five years, what is the official mean and median number of hours that teachers (i) work per week (ii) work per week in school (iii) work per week out of school (iv) spend on administrative work and (v) spend on work that does not involve teaching or preparing for classes.
- *39. Mr Dennis Tan Lip Fong:** To ask the Minister for Education whether the Ministry has conducted reviews on teachers' workload following the introduction of hybrid learning in schools.
- *40. Mr Yip Hon Weng:** To ask the Minister for Finance (a) whether the proposal in the Public Accounts Committee's recent report to shift the Public Service's operating models from "just in time" to "just in case" will be considered for implementation; and (b) if so, how will buffer and stockpiles become the new planning parameters while ensuring there will be no over-budgeting or compromising of the budgets of other important programmes.
- *41. Mr Pritam Singh:** To ask the Minister for Trade and Industry (a) over the past three years, what actions has the Competition and Consumer Commission of Singapore taken against retailers for profiteering that are consistent with the Ministry's tough stance against profiteering; and (b) what new approaches does the Commission intend to take against profiteering going forward.
- *42. Mr Chua Kheng Wee Louis:** To ask the Minister for National Development over the last five years (a) what is the number of single parents who have been granted the Proximity Housing Grant for families; and (b) of these, what is the number of single parents who are (i) divorced or widowed and (ii) unmarried.
- *43. Mr Louis Ng Kok Kwang:** To ask the Minister for Education for each year in the past five years, how many teachers have sought counselling services broken down by (i) the Ministry's in-house counselling services and (ii) whole-of-Government's counselling hotline, respectively.
- *44. Mr Leon Perera:** To ask the Minister for Health whether the number of drugs being subsidised for medicating depression and anxiety can be expanded, so that psychiatrists can have a wider range of treatments to choose from, for their patients.
- *45. Mr Louis Ng Kok Kwang:** To ask the Minister for Sustainability and the Environment (a) what is the rationale for specifying five metres as the distance within which smoking is prohibited under the Smoking (Prohibition in Certain Places) Regulations considering that secondhand smoke can drift beyond that; and (b) whether the Ministry is considering increasing this distance; (c) if so, how will the new distance be determined; and (d) if not, why not.
