EXPLANATORY STATEMENT

This Bill seeks to amend the Pioneer Generation Fund Act 2014 (Act 43 of 2014) (the Act) for the purpose of establishing a new Government fund, called the Merdeka Generation Fund, in recognition of and to honour the Merdeka Generation Seniors who, in addition to the Pioneers of Singapore, had played an important part in Singapore’s development.

Clause 1 relates to the short title and commencement.

Clause 2 amends the long title of the Act to provide for the establishment of the Merdeka Generation Fund (MG Fund) to provide financial and other support to Merdeka Generation Seniors (MG Seniors).

Clause 3 amends section 1 to restate the short title of the Act as the Pioneer Generation and Merdeka Generation Funds Act 2014.

Clause 4 amends the definitions in section 2 of certain terms used in the Act and inserts a new definition for “Merdeka Generation Senior”.

Clause 5 amends section 3 to insert a reference to MG Seniors for the purpose of the Act.

Clause 6 amends the heading to Part 2.

Clause 7 amends section 4 to provide for the establishment of a new Government fund called the Merdeka Generation Fund. Its primary source of revenue will be moneys appropriated from the Consolidated Fund.

Clause 8 amends section 5 to provide for the purposes to which moneys in the MG Fund may be applied. Briefly, the purposes of the MG Fund include the provision of benefits described in section 16 as amended by clause 21 to MG Seniors, and the funding of all or any part of the cost of any public scheme, to be prescribed by the Minister in regulations, to the extent that MG Seniors are eligible to participate in or receive benefits under that public scheme.

Clause 9 amends section 6 to provide that the expenses in administering the MG Fund are charged upon and payable out of the MG Fund.

Clause 10 amends section 7 to provide for withdrawals and payments from the MG Fund and the necessary authorisation to do so.

Clause 11 amends section 8 to prescribe the financial year of the MG Fund.

Clause 12 amends section 9 to provide for the keeping of accounts of the MG Fund and the appointment of accounting officers of the MG Fund.

Clause 13 amends section 10 to provide for the requirement to prepare annual financial statements and accounts of the MG Fund, and for their audit. These are separate financial statements and accounts from those of the Pioneer Generation Fund. The clause also requires the Minister to cause a copy of the audited financial statements of the MG Fund and the auditor’s report to be presented to Parliament.

Clause 14 amends section 11 to require the balance of moneys remaining in the MG Fund upon the dissolution of the MG Fund to be transferred to the Consolidated Fund and be added to the past reserves of the Government.

Clause 15 amends the heading to Part 3.

Clause 16 introduces new sections 12A and 12B. The new section 12A defines who an MG Senior is for the purposes of the Act. As defined, there are 3 categories of MG Seniors, as follows:

- (a) a citizen of Singapore —
 - (i) whose birthday is between 1 January 1950 and 31 December 1959 (both dates inclusive); and
 - (ii) who was a citizen of Singapore on 31 December 1996 and has been a citizen of Singapore since that date;
- (b) a citizen of Singapore —
 - (i) whose birthday is 31 December 1949 or earlier;
 - (ii) who was a citizen of Singapore on 31 December 1996 and has been a citizen of Singapore since that date; and
 - (iii) who is not a Pioneer, or ceased being a Pioneer because of a conviction of an offence under the Act (whether before, on or after the date of commencement of the Pioneer Generation Fund (Amendment) Act 2019);
- (c) any other citizen of Singapore determined under section 13 to be an MG Senior for the purposes of the Act provided that —
 - (i) the citizen's birthday is 31 December 1959 or earlier; and
 - (ii) the citizen is not a Pioneer, or ceased being a Pioneer because of a conviction of an offence under the Act (whether before, on or after the date of commencement of the Pioneer Generation Fund (Amendment) Act 2019).

The new section 12B provides that a citizen of Singapore can only be either a Pioneer or a Merdeka Generation Senior at any time, but not both.

Clause 17 amends section 13 to provide that MG Senior status may be conferred by the Appeals Panel on an individual whose birthday is 31 December 1959 or earlier, and who is not a Pioneer or who ceased being a Pioneer because of a conviction of an offence under the Act (whether before, on or after the date of commencement of the Pioneer Generation Fund (Amendment) Act 2019), but who does not strictly meet the citizenship requirement in the new section 12A.

The Appeals Panel has to take into account various matters and give such weight it considers appropriate when the Appeals Panel determines whether a citizen of Singapore who does not strictly meet the citizenship requirement in the new section 12A is a Merdeka Generation Senior. These matters are to be prescribed from time to time in regulations made by the Minister.

To seek conferment of MG Senior status, a verification application must be made to the Appeals Panel. Verification applications for a determination to be an MG Senior must be made before the closing date that the Minister specifies through a notification in the *Gazette* for this type of verification applications. The Appeals Panel will refuse verification applications made after that closing date. There is no appeal against the determination of the Appeals Panel.

Clause 18 amends section 14 to allow the Appeals Panel to reconsider its decisions relating to MG Senior status on application to it. An unsuccessful individual seeking to be an MG Senior can apply to the Appeals Panel, one or more times, to reconsider its decisions, up to the applicable closing date specified under section 13(5).

Clause 19 introduces a new section 14A to enable the Appeals Panel to decide, on its own accord, whether an individual is to be determined an MG Senior, without that individual making a verification application to be so determined. This applies if the individual is a citizen of Singapore who meets the criteria in the new section 12A(2) and —

- (a) the Appeals Panel has made a decision under section 13 refusing to determine that individual as a Pioneer, but has not received an application under section 14(1) for reconsideration of that decision; or
- (b) the Appeals Panel has made a decision under section 14 affirming its earlier refusal to determine that individual as a Pioneer, but has not received a further application under section 14(1) for reconsideration of that decision.

Clause 20 amends section 15 to rename the Pioneer Generation Appeals Panel as the Appeals Panel and to expand its composition.

Clause 21 amends section 16 to set out the benefits for MG Seniors from the MG Fund.

First, there is a cash grant to be credited to the Medisave account (or other account) of the MG Senior in the Central Provident Fund. The cash grant is an amount that the Minister will prescribe in regulations. Different amounts may be prescribed for different MG Seniors or classes of MG Seniors. Further, the cash grant may be credited during a period that the Minister will prescribe in regulations (if prescribed).

Second, there is a cash grant to be credited to the PAssion Silver stored value card of the MG Senior which can be used for transactions allowed by the terms of use of the card. The cash grant is an amount that the Minister will prescribe in regulations.

Third, there is a subsidy of the cost of any premium of a prescribed insurance scheme covering the MG Senior (whether alone or as a member of a class) in relation to health services. This refers to the subsidy for the premium for the

MediShield Life Scheme which is to be prescribed in regulations. Different amounts may be prescribed for different MG Seniors or classes of MG Seniors.

Fourth, there is a subsidy of the cost of any premium of a prescribed insurance scheme covering the MG Senior in relation to disability. This refers to the subsidy for the premium for the proposed CareShield Life Scheme which is to be prescribed in regulations. The subsidy is an amount that the Minister will prescribe in regulations. The subsidy is also payable for premiums due during a period that the Minister will prescribe in regulations.

Fifth, there is a subsidy of the cost of certain health services (called a relevant health service) rendered or provided to an MG Senior by healthcare providers that the Minister will prescribe in regulations. A cap on the subsidy is also to be prescribed.

There is also a grant to the prescribed healthcare providers, to reimburse them (in whole or part) of the cost and expenses of providing any relevant health service to an MG Senior. The reimbursement grant is supported by reimbursement arrangements approved by the Minister for Health that entitle a prescribed healthcare provider to reimbursement of the whole or part of the cost and expenses it incurred in respect of the relevant health service so rendered or provided, up to the maximum proportion or maximum amount of those costs and expenses to be reimbursed.

Clause 21 also amends section 16 to give Pioneers a subsidy of the cost of any premium of the proposed CareShield Life Scheme which is to be prescribed in regulations. The subsidy is an amount that the Minister will prescribe in regulations. The subsidy is also payable for premiums due during a period that the Minister will prescribe in regulations.

Clause 22 amends section 17 to make it clear that no MG Senior is entitled to the benefits in section 16(1); an MG Senior cannot sue for them. These benefits are also declared as non-transferable to others and cannot be attached, sequestered or levied upon for or in respect of any debt or claim. The only exception is for debts due from the MG Senior to the Government, since the benefits are met from a Government fund.

Clause 23 inserts a new subsection (1A) into section 18 to set out the circumstances in which MG Senior status may be lost. This includes a situation where the individual ceases to be a citizen of Singapore at any time after the Bill is operative, or the individual is or becomes a citizen of another country at any time after that date even if the individual does not cease to be a citizen of Singapore. However, merely being a Commonwealth citizen (which is allowed by Article 139 of the Constitution of the Republic of Singapore) is not an event that can lead to loss of MG Senior status.

The new subsection (1A) also includes a situation where the individual is determined under section 13(2) or 14 to be a Pioneer. This is because a citizen of

Singapore may only be either a Pioneer or an MG Senior at any time but not both, as provided in the new section 12B (inserted by clause 16).

Clause 24 amends section 19 to empower the Minister to appoint any public officer, public authority or other organisation to disburse the grants, subsidies and benefits using moneys in the MG Fund in accordance with the Act.

Clause 25 amends section 20 to allow, in the specified circumstances, disclosure of confidential information in the possession of a public authority in order to disburse, or facilitate disbursement of, any financial assistance or grant under section 16 or any benefit under a prescribed public scheme mentioned in section 5(1)(b) using moneys in the MG Fund. A person or an officer of a public authority directed by the Minister charged with the responsibility for that public authority to provide confidential information for the purpose of disbursing the financial assistance, grant or benefit will not be guilty of an offence or incur any civil liability by virtue of his or her merely carrying out this purpose.

Clause 26 amends section 21 to insert references to MG Senior so that the restrictions on disclosure of confidential information under that section apply in relation to MG Seniors.

Clause 27 amends section 22 to insert references to the MG Fund, MG Senior, former MG Senior and the new section 16(1)(ba) and (ca), so that any moneys that are withdrawn from the MG Fund and are paid to a person not eligible to them, or paid in excess or paid without authorisation, are recoverable as a debt due to the Government.

Clause 28 amends section 23 to update the reference to the Pioneer Generation Appeals Panel with the reference to the Appeals Panel due to the renaming of the Panel. The clause also inserts a reference to MG Senior in section 23(1)(d) so that the offence under section 23(1) is extended in relation to a document furnished or statement made or information given in, or in connection with, a verification application to be determined as an MG Senior.

Clause 29 amends section 27 to update the reference to the Pioneer Generation Appeals Panel with the reference to the Appeals Panel due to the renaming of the Panel. The clause also amends section 27 to insert references to MG Senior so that regulations made under the section can be in relation to MG Seniors. The clause further amends section 27 to provide that the means of MG Seniors are irrelevant when prescribing in regulations the matters mentioned in section 27(2A) as amended by the clause.

Clause 30 introduces a new section 29 which is a validation provision for decisions taken by those purporting to be made in the name or on behalf of the Appeals Panel before the Bill is operative. These decisions are deemed to have effect, and always to have had effect, as if they had been made on the operative date of the Bill by the Appeals Panel under section 13 or 14 (as amended by the Bill) or the new section 14A (as inserted by the Bill).

Clause 31 is a saving and transitional provision to deal with decisions made by the Pioneer Generation Appeals Panel before it is renamed as the Appeals Panel.

The clause also empowers the Minister to make regulations prescribing additional provisions of a saving or transitional nature consequent on the enactment of the Pioneer Generation Fund (Amendment) Act 2019, as the Minister may consider necessary or expedient. The Minister has power to do so only within 2 years after the date of commencement of the Pioneer Generation Fund (Amendment) Act 2019.
