EXPLANATORY STATEMENT

In accordance with Article 148(2) of the Constitution of the Republic of Singapore, this Bill seeks to make additional provision for the financial year 1 April 2020 to 31 March 2021 (called FY 2020) to meet expenditure in excess of the sums authorised by the Supply Act 2020 (Act 10 of 2020), the Revised Supplementary Supply (FY 2020) Act 2020 (Act 15 of 2020), and the Second Supplementary Supply (FY 2020) Act 2020 (Act 28 of 2020), which are collectively defined in the Bill as the Appropriation Acts.

The Bill also provides for a downward adjustment in the maximum sums earlier appropriated from the Consolidated Fund and the Development Fund by the Appropriation Acts for various public services and development purposes.

Supplementary estimates for the additional provisions, and showing the reduction in sums earlier appropriated by the Appropriation Acts, have been laid before Parliament.

Clause 1 relates to the short title.

Clause 2 defines the expressions “Appropriation Acts”, “appropriation in aid” and “FY 2020”.

Clause 3 authorises a further sum of not more than \$1,664,385,100 to be issued from the Consolidated Fund for FY 2020, which is the balance after the reduction in appropriations from the Consolidated Fund (totalling \$2,713,083,900) for the Heads of Expenditure specified in Part 2 of the Schedule as provided in clause 4 are set-off against the maximum gross increase of \$4,377,469,000 in total appropriations to meet the Heads of Expenditure for the public services specified in Part 1 of the Schedule.

No part of the further sum will be drawing on the reserves which were not accumulated by the Government during its current term of office.

Clause 4 provides that certain sums appropriated by the Appropriation Acts for the Heads of Expenditure specified in Part 2 of the Schedule are reduced to the extent provided respectively in that Part.

The downward adjustment in the provisioning for these Heads of Expenditure relate to appropriations from the Consolidated Fund and the Development Fund and affect main and development expenditure of the various public sector agencies falling under the respective Heads of Expenditure specified in Part 2 of the Schedule.

The reductions in clause 4 relating to the Consolidated Fund (totalling \$2,713,083,900) are appropriated in aid of the Heads of Expenditure specified in Part 1 of the Schedule. The Finance Minister will direct how the appropriations in aid are to be distributed among the Heads of Expenditure specified in Part 1 of the Schedule. The authority to issue those moneys from the Consolidated Fund is not changed.

Clause 5 describes the effect of the reduction of appropriations in relation to the Appropriation Acts and the Financial Procedure Act (Cap. 109).

Clause 6 makes clear that a public sector agency named in Part 2 of the Schedule includes a reference to its predecessor Ministry or Organ of State. This addresses the renaming of the Ministry of the Environment and Water Resources as the Ministry of Sustainability and the Environment, after the Appropriation

Acts were enacted containing provision for the Ministry of the Environment and Water Resources.

EXPENDITURE OF PUBLIC MONEY

This Bill will involve the Government in extra financial expenditure which will amount in gross total to a sum not exceeding \$4,377,469,000, for which not more than \$1,664,385,100 is to be issued from the Consolidated Fund.
