QUESTIONS FOR ORAL ANSWER*

- *1. Ms Ng Ling Ling:** To ask the Minister for Health (a) when will the national digital health app HealthHub extend its current function of appointments management across all three public healthcare clusters to include Healthier SG general practitioner (GP) clinics; and (b) whether the rest of the current functions on HealthHub, such as laboratory report, medical refill, health screening and CHAS balance, can be extended to these GP clinics.
- *2. Dr Tan Wu Meng:** To ask the Minister for Health (a) whether the Ministry has studied public feedback requesting for a single fully consolidated public sector app for patients to transact with the public healthcare clusters; and (b) whether there is room for improvement in existing platforms, especially for patients receiving care across multiple healthcare clusters.
- *3. Mr Yip Hon Weng:** To ask the Deputy Prime Minister and Minister for Trade and Industry (a) how does the Ministry ensure that the ease of doing business in Singapore is not exploited by companies seeking to bypass US trade restrictions; and (b) whether the Ministry can provide an update on its assessment of the effects of the US chips export control rules on our semiconductor industry and the broader economy.
- *4. Ms Joan Pereira:** To ask the Deputy Prime Minister and Minister for Trade and Industry whether there are measures in place to ensure that entities operating in Singapore are compliant with export controls and international laws in order to protect Singapore's status as a well-respected international business hub.
- *5. Assoc Prof Jamus Jerome Lim:** To ask the Deputy Prime Minister and Minister for Trade and Industry (a) whether the Ministry is aware that Singapore will be placed under the new US AI export controls' Tier Two status; (b) whether it is a specific foreign policy objective of this Government to secure (i) the National Validated End-User status and (ii) Tier One reclassification under these controls; and (c) what specific technical and regulatory enhancements, if any, have been communicated by US counterparts as prerequisites for such status changes.
- *6. Assoc Prof Jamus Jerome Lim:** To ask the Deputy Prime Minister and Minister for Trade and Industry in light of how US agencies have flagged Singapore as a hub for illicit chip transshipments to blacklisted Chinese AI firms (a) whether the Government is able to (i) disclose the foreign policy rationales behind its regulatory stance with regard to re-exports of such chips since 2023 and (ii) detail any or all inter-agency decisions that led to this situation; and (b) how does the Government intend to rectify any damage to Singapore's credibility and ties with the US arising from such reports.

- *7. Ms Carrie Tan:** To ask the Minister for Manpower (a) whether there are any manpower training programmes tailored for local micro businesses with less than six employees, such as minimarts, to create real business value to the business owners that offset their increased manpower costs incurred by the Progressive Wage Model (PWM); and (b) whether the Ministry will consider targeted PWM exemptions or adjustments for these micro businesses to help alleviate their business costs.
- *8. Mr Gan Thiam Poh:** To ask the Minister for Digital Development and Information whether the Ministry will consider providing more training to Singaporean professionals, managers, executives and technicians (PMETs) so as to increase the pool of PMETS who have capabilities in artificial intelligence and to strengthen our competitive position.
- *9. Mr Yip Hon Weng:** To ask the Minister for Social and Family Development with regard to the recent case of wrongfully obtained ComCare payments due to improper declaration of income and assets (a) how does the Ministry comprehensively assess an applicant's financial situation before disbursing funds; (b) whether the Ministry conducts regular follow-up checks on the financial situation of recipients applying for renewal; (c) besides self-declaration, what other verification methods are being employed; and (d) over the past five years, how many similar cases have occurred and have all erroneous disbursements been recovered.
- *10. Mr Mohd Fahmi Bin Aliman:** To ask the Minister for Home Affairs (a) in the past three years, how many cases of public urination or similar anti-social behaviour have been reported; (b) how have these statistics changed over time; (c) what penalties or legal actions have been taken against individuals caught engaging in such behaviour; and (d) what steps will be taken to improve the deterrence of anti-social behaviour, including public urination.
- *11. Mr Ang Wei Neng:** To ask the Minister for National Development whether the Ministry will consider according priority to owners of segmented HDB units that do not have direct access to lifts on the same level and where Lift Upgrading Programme is not feasible, when they apply for BTO flats with direct lift access, especially when they have household members with mobility issues.
- *12. Ms Ng Ling Ling:** To ask the Minister for National Development for HDB units ineligible for the Lift Upgrading Programme and lacking direct lift access (a) what alternatives, besides the Lift Access Housing Grant (LHG), are available to senior residents with mobility issues who face difficulties moving out of such units due to inability to afford a resale flat and their lowered chances in securing new HDB flats as second-timers; and (b) what is the proportion of units whose residents have tapped on LHG versus the total number of these units in the last three years.
- *13. Ms See Jinli Jean:** To ask the Minister for Education in view of the Labour Force in Singapore 2024 report which states that more unemployed non-trainees did not know what skills to pick up or improve on to stay relevant to job demands (a) whether motivating and equipping more employers to pivot to skills-based hiring can help increase overall training intensity; (b) if so, how will the Ministry do so; and (c) how will the Government translate such efforts into placement outcomes for industries like information and communications where the unemployment rate has risen.
- *14. Ms Carrie Tan:** To ask the Minister for Social and Family Development whether the Minister will consider developing and co-creating transformation and funding schemes for neighbourhood shops such as minimarts to provide employment and workplace incubation opportunities to vulnerable segments of society such as persons with special needs or persons with disabilities.

-
- *15. **Ms Carrie Tan:** To ask the Minister for Social and Family Development whether the Ministry sees potential in tapping on neighbourhood shops and minimarts as social enterprises or collaborators to deliver last mile and subsidised groceries, caregiving supplies and other services to families who are mobility-compromised and financially-challenged.
- *16. **Mr Christopher de Souza:** To ask the Minister for Sustainability and the Environment (a) whether the Ministry is considering new measures to further support small businesses, especially stallholders at markets and food centres in the heartlands, beyond the existing rent stabilisation measures and financial grants; and (b) if so, what are these measures.
- *17. **Mr Pritam Singh:** To ask the Minister for Home Affairs (a) how many physical rally sites will be available for the upcoming General Election; (b) how soon will the list of sites be available; and (c) whether the Elections Department can release the list of physical rally sites when the Electoral Boundaries Review Committee submits its report to Parliament.
- *18. **Dr Wan Rizal:** To ask the Minister for Social and Family Development with reference to the latest Government survey on household expenditure stating that preschool education spending increased from \$1 billion in 2018 to \$1.3 billion in 2023 (a) what steps are implemented to further alleviate the financial burden on families, especially for middle-income households who may not qualify for the highest subsidies; (b) how effective have recent fee cap reductions in preschool fees improve affordability; and (c) whether there are plans to enhance subsidies or expand access to Government-supported pre-schools.
- *19. **Mr Chua Kheng Wee Louis:** To ask the Minister for Social and Family Development (a) what is the latest available number of infant and childcare places; and (b) what is the current ratio of infant and childcare places to resident children below seven years old, as broken down by planning areas.
- *20. **Mr Yip Hon Weng:** To ask the Minister for Digital Development and Information (a) how does the Ministry plan to ensure the effective implementation of age verification and restriction measures by app stores so that only age-appropriate apps are accessible to children given that children may download apps through their parents' user accounts; and (b) whether the Ministry will consider mandating more robust age verification methods such as facial recognition technology, to prevent children from bypassing age restrictions using their parents' passwords or biometric data.
- *21. **Ms Ng Ling Ling:** To ask the Minister for National Development with regard to feedback received by HDB from residents on suspected excessive hoarding in a neighbour's flat (a) what is the protocol for HDB officers to verify and ascertain if the excessive hoarding is true; (b) what is the existing coordination protocol between HDB and SCDF under the inter-agency Hoarding Management Core Group to mitigate fire risks associated with reported excessive hoarding in HDB flats; and (c) whether the Ministry will review and enhance both protocols.
- *22. **Mr Mark Lee:** To ask the Prime Minister and Minister for Finance regarding the recent withdrawal of the United States' support for the OECD's global corporate minimum tax under the Base Erosion and Profit Shifting (BEPS) 2.0 framework (a) what are the implications for Singapore's implementation of the domestic minimum top-up tax starting in 2025; (b) how does this development affect international tax cooperation; and (c) what is the Ministry's assessment of the risks for Singapore's competitiveness, particularly in attracting multinational enterprises.

- *23. Mr Mark Lee:** To ask the Prime Minister and Minister for Finance regarding concerns of fragmentation in global tax standards from the withdrawal of the United States' support for the OECD's global corporate minimum tax (a) whether Singapore's tax strategies will be adjusted to ensure it remains a pro-business and investment-friendly hub; (b) what measures will be taken to mitigate risks to key sectors or industries reliant on Singapore's tax advantages; and (c) how will Singapore balance its compliance to global frameworks against the risk of losing its competitive edge.
- *24. Mr Patrick Tay Teck Guan:** To ask the Minister for Education whether the Ministry will consider expanding the UPLIFT Scholarship to all lower-income students admitted to independent schools whose families meet the eligibility criteria of \$4,400 or less monthly gross household income or \$1,100 or less monthly per capita income, instead of limiting the scholarship only to those lower-income students admitted to independent schools through Direct School Admissions (DSA) or who have qualified for the Edusave Scholarships for Independent Schools (ESIS).
- *25. Mr Louis Ng Kok Kwang:** To ask the Minister for Social and Family Development (a) when will the pilot for extending the Development Support and Learning Support (DS-LS) Programme to children who are differently abled at the nursery levels end; and (b) what factors will be taken into consideration to determine whether to make the DS-LS Programme permanent at the nursery levels.
